

## Technical Product Data

a) Product Name	<b>FIELDLINE</b>
b) Reference Number	P.P.51
c) Product Description	A good quality line marking coating containing special resins and pigments to give good exposure and resistance properties to inclement weather conditions.
d) Uses	For use on grass sports fields
e) Colour Range	White
f) Specific Gravity	1.3-1.4
g) Storage	6 months in unopened tins
h) Drying time	Depending on humidity and temperature usually 1 to 2 hours. Do not apply below 5°C
i) Overcoating Time	Wet on Wet
j) Pack Size	10 Litres
k) Thinner / Cleaner	Water
l) Flashpoint	N/A
m) Solids	43% W/W
n) Recommended System	1 to 2 Coats
o) Theoretical Spread Rate	80 Linear metres per litre 100mm Line width.
p) Methods of application	Brush, Roller, Line Marking Applicators.
q) Precautions	Protect from frost, do not store in direct sunlight.

NB: This product contains no Calcium Hydroxide and will not burn the lines in, contains no harmful fungicides or bacteriacides and is extremely safe to use.
